## NOTES ABOUT THE CARROLL CLASSIC

In hosting the first annual Carroll Classic, the Blue Streaks will be as hospitable as can be expected, but will also be out to win its fair share of races. On the men's side, **Alex Vereshchagin** and **Eric Davis** have the second fastest times this season in the Ohio Athletic Conference in the 100 Free and 100 Fly, respectively. The women's team can claim five of the best times in the OAC thus far in 2008-2009: **Heidi Benson** (1000 Free), **Samantha Mossman** (200 IM), **Katie Mathews** (100 Fly) and **Brittany Krauth** (200 Fly and 400 IM) ... Notre Dame College is a relatively new program. The women are in their third year of existence, while the men are in their first. A rising star on the Falcons roster is freshman **Emily Whittington**, who has set numerous school records in her rookie season, including the 200 Back, 200 Free and 400 IM in her last time out against Mount Union on Nov. 22. **Cameron McRae** has been impressive in the early going for the men's squad ... Even newer to the scene than Notre Dame is Urbana University, as both the men and women are in their first year as intercollegiate varsity programs. Freshmen **Lauren Turner** and **Brian Hurley** have emerged as early season standouts for the Blue Knights ... The Ohio Wesleyan programs compete in the extremely competitive North Coast Athletic Conference. Thanks to the efforts of juniors **Kevin Fahey** and **David Gatz** as well as freshman **Jesse Sheldon**, the OWU men hope to hold their own. The same holds true for the Battling Bishop women, led by juniors **Kendra Klossner** and **Erin Hanahan** as well as freshman **Marina Metzler** ... Marshall will be competing as a split squad this weekend. While some of the Thundering Herd will be at the Carroll Classic, others will be competing in the Miami Invite in Oxford, Ohio.
